Feb/Mar: Johannes CRAMER performed air travel for D. 161.

21 Mar : MR by [] e KUTZBACH told [] that Carl SCHUETZ (V-2978), Fritz BUSCH (V-2982) and Subject are long-time friends. During WW II they all served together in the SP (Sicherheitspolizei). Of the three in [] KUTZBACH's opinion, Subject is the most reliable and probably would not be affected by anything which might happen to the other two.

Apr : Note from Security Review: Subject; Oskar BICK (aff SOZIUS) (V-2665.4); and Fritz BALTRUSCH (V-2665.5) all know each other - presenting security problem.

Ap : Duty rail travel, Hannover/Stuttgart/Oldenburg for Johannes CRAMER, MK 113-16-18722.

27 Jun : MR by [] Subject was formerly a career police official, SP (Sicherheitspolizei), captured by Italians; became a staunch Roman Catholic in preference to spending a long time as prisoner of the Italians (used his Catholicism frequently in contact with agents); physical appearance reminds one of a penguin; he is ca. 5' 7" tall and probably tips the scales at 190 lbs. Has sandy colored hair and appears to be ca. 52 or 53 yrs old. Has rotund little figure; most remarkable physical characteristic is his hands which are tiny and tapered; speaks with Saxonian accent; (married; but does not live with his wife); does not smoke; devotes himself to converse with guests. G KUTZBACH concurs that although Subject is an excellent case officer he falls down on written reports. Subject, however, impressed as being a qualified, experienced officer, quite self-assured and by nature admission able to approach an agent on a contact or whatever basis deemed appropriate.

28 Jun : HGLA-4651, UJ DROLLEY # 121 (case officer).

30 Jun : HGLA-4651, UJ DROLLEY # 121.

20 Jul : MR by hancon. Hans CLEMENS who was by profession a criminal investigator and thus presumably very known to ALBERT V-2660 (agent who committed suicide), is a well thought of CE case officer of D.I.S.P.
